

MISSION STATEMENT

The Association of Pastoral Ministers

provides support, advocacy and ongoing formation to our members who are professional lay ecclesial ministers committed to pastorally serving the human and spiritual needs in the Church.

The role of our members

is one of leadership
in calling people forth to ministry
and in modeling new ways of ministering.

We are dedicated to nurturing relationships

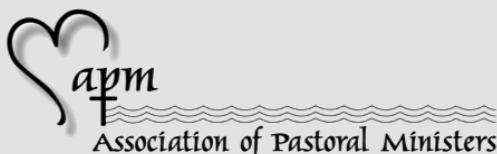

with individuals and organizations
within the Archdiocese of St. Paul and Minneapolis
and beyond its boundaries.

We are concerned with broader
relationships and responsibilities.

We recognize the value of dialogue
within the Church
for human and spiritual growth for all.

A community of discernment,

we seek to discover and implement
ways that will strengthen and improve the quality
of our ministry, modeled after the life and teachings of
Jesus.

APM Retreat

Emerging Together

Meeting This Moment In God

What are you looking for? Jesus asks us. He implores us to "come and see" where he is staying and to remain with him. In this retreat day, we will explore another dimension of this gospel story. We will invite Jesus to "come and see" where we are staying and to remain with us there--in the midst of the uncertainty, complexity, and fatigue we are experiencing. As the demands of our ministries increase, and our energy diminishes, we'll ask Jesus to open our eyes, ears, and hearts to the movement of God in this moment. Together, we will devote time to imaginative prayer, reflective writing, deep listening, and contemplative conversation.

We hope you'll join us!

Please bring a bible, a journal, and whatever else helps you to tenderly care for yourself on retreat.
