

MISSION STATEMENT

The Association of Pastoral Ministers

provides support, advocacy and ongoing formation to our members who are professional lay ecclesial ministers committed to pastorally serving the human and spiritual needs in the Church.

The role of our members

is one of leadership in calling people forth to ministry and in modeling new ways of ministering.

We are dedicated to nurturing relationships

with individuals and organizations within the Archdiocese of St. Paul and Minneapolis and beyond its boundaries.

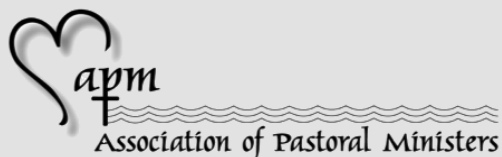

We are concerned with broader relationships and responsibilities.

We recognize the value of dialogue within the Church

for human and spiritual growth for all.

A community of discernment,

we seek to discover and implement ways that will strengthen and improve the quality of our ministry, modeled after the life and teachings of Jesus.

APM Retreat

Pathways of Healing & Wholeness: Walking the Sacred Path of the Labyrinth

Treat yourself to a day away of both personal and group reflection time using the spiritual tool of the labyrinth. Journey with colleagues as we explore the history of the labyrinth, its many forms and uses and how it can provide rest and refreshment for your soul. Whether you are new to the labyrinth or a seasoned walker, this day will provide multiple ways for experiencing the sacred path of the labyrinth.

Sheryl Rose holds an MA in Organizational Leadership and Spirituality from St. Catherine University, was certified as a Labyrinth Facilitator at Grace Cathedral in San Francisco and was trained at the Franciscan Spirituality Center in La Crosse as a Spiritual Director. Sheryl recently retired from parish ministry in the Archdiocese of St. Paul and Minneapolis where she held Parish Administrator positions for over 25 years.

Sheryl offers retreats for those seeking peace and connection to the Divine using the sacred path of the labyrinth as a metaphor for our journey through life. Both one on one spiritual direction and group retreats are available using either an existing outdoor labyrinth or a 7 circuit floor canvas indoors.
